Message from Miss Bendall

Dear Parents/Carers,

Thank you to everyone who has signed up to our Parent Consultations and the CEO presentation.

We've had many visitors this week from ACE who we have been working alongside. Jenny Stewart, who is our ACE Strategic Advisor, visited us on Thursday and started to get to know the staff and children. Jenny commented on the excellent learning dispositions and behaviour across the school. Jenny popped into lessons and saw 'highly aspirational lessons where children were really engaged.'

We continue to strive for excellence all of the time and it was great to hear Jenny's evaluation of her visit.

Have a lovely weekend.

Kind regards,

Miss Bendall

CEO visit and presentation to parents

We will be visited by Cheryl Weyman, CEO of our new ACE Trust (The Academies for Character and Excellence) on **Wednesday 28th February at 8.50am**.

Cheryl will be accompanied by Nick Hind, also from the Trust. They will be giving a short presentation about the ACE Trust and will be able to answer any of your questions.

Please let the School Office know if you will be attending this event.

PTA meeting

We're getting together next **Thursday 1 February, 8pm at the Tuckers Arms in Dalwood** to plan out activities for the year, who will be supporting each one and how we can spend the money we have recently raised (we'll do a round-up of Christmas fundraising in the next newsletter).

If you'd like to get involved please come along - you can also get in touch at stocklandpta@gmail.com or through the school office.

Class 1 Featherlake News

Featherlake have been looking at materials in Science this week. We started the week by making houses for the three little pigs using different materials and have enjoyed trying to blow them down like the wolf today. They have also been looking at how different materials feel and look. Next week we will be looking at waterproof materials to build a new roof for the three little pigs and will start planning our own shelters to make.

In Maths, the children have been learning about number bonds to 6 and 7 and we have started a new music sequence called 'Five Fine Bumble Bees'.

Mr Murnane has chosen star and values of the week for their effort and enthusiasm in PE.

Class 2 Horner News

This week, the children have been singing Grandma Rap in music and they learnt a clapping game to Hi lo chicka lo that shows the rhythm. They chanted Grandma rap rhythmically and they will perform an accompaniment to the song at the end of the unit.

In maths, the year 1 children have been counting and representing numbers to 20. The year 2 children have been learning about arrays, and grouping and sharing when dividing. We have now moved onto practising our 2 times table and will be practising our 5 and 10 times table next week.

In DT we have been continuing our free-standing model unit and we have been making some origami benches for our 3D models. Alongside this, we have been learning about extreme weather and what clothes we need to wear in different weathers and why.

Class 3 Quantock News

This week has been jam-packed with creativity. The children have produced some fabulous writing to add the Beowulf saga and we look forward to sharing the finished pieces with you on display outside the office next week. In the meantime, here are some snippets to whet your appetite:

'An ear piercing shriek broke the peace. Hrothgar jumped to his feet in surprise. Beowulf rushed in and cried "It's coming from the foul lair!"...

Teddy L

Beowulf rushed to the big hall as fast as he could and started to fight. Hrothgar said to Beowulf, "You can kill the monster, you can do it Beowulf! I'm behind you."

Beowulf killed the monster.

Freddie

A feathering of fur fluttered through the window. Hrothgar cried "There's another monster!" He ran to fetch Beowulf, but when Beowulf entered, there was clearly no monster. Or was there...?

The next night, a piercing shriek shattered the peace. Hrothgar jumped out of bed. His mouth turned dry, his heart stopped and his mind started racing...

Megan

What talented writers! Well done Quantock class!

Class 4 Bucehayes News

The children have shown a great attitude this week to finishing our enquiry about the circulatory system and they are looking forward to showing you their learning journals at Parents' Evenings soon. We have already made a cracking start on our new learning enquiry, which is a Geography focus, about Fairtrade production in Brazil, South America. We started with working together collaboratively to find out where the farmers that we read about come from. Revising the continents of the world and learning the countries and their capital cities in South America. There will be homework next week to practice the names of the countries.

Year 6 have worked as mentors to year 5 in the start to our new maths topic on angles. We were even allowed to write on the tables and learnt how to use a protractor.

On Wednesday, we listened to a Book Trust presentation with Joseph Coelho (Waterstone's Children's Laureate), Sabine Adeyinka and Jasmine Richards talking about their books and the book publishing business.
